EDB Primary Roles:

1. Guide Development Programs

- Review and choose DCMA sponsored opportunities
- Provide input on DoD programs (DLAMP as an example)
- Select candidates for DCMA opportunities
- Endorse Agency nominees for DoD programs
- Energize support for high priority initiatives like the Intern Program

2. Plan Developmental Assignments

- Evaluate senior management vacancies for potential match with the
career needs of employees graduating from major DCMA programs
- Establish policy for placing employees both entering and graduating
from the DCMA Intern Program

3. Manage Command High Grade Positions

- Formulate Agency strategy for meeting high grade controls

- **Support rotational work assignments both internal and external to the CMO**
- **Ensure all employees have Individual Development Plans (IDPs) that reflect valid training needs rather than wish lists**
- **Encourage high performing employees to serve as mentors for their junior colleagues**

Development Programs

- **Nominate your best and brightest employees for DCMA and DoD opportunities**
- **Ensure the specific program is appropriate for the individual and included within their IDP**
- **Tailor supervisory and CMO Commander endorsements to explain how the employee and DCMA will benefit from the training**
- **Endorsements should relate to the program**
